France and India Defence and Security In Indo-Pacific

Abhinayan Iyer

In recent years, the Indo-Pacific region has emerged as a critical arena for global strategic competition. It is an area that has witnessed significant changes in geopolitical dynamics, economic trends, and security challenges. Against this backdrop, the relationship between France and India has taken on added importance, with both nations seeking to deepen their engagement and cooperation in the region. This book explores the evolving defense and security relationship between France and India in the Indo-Pacific. It examines the historical context of the relationship, the current state of bilateral ties, and the challenges and opportunities that lie ahead. The book also considers the broader strategic context, including the role of other major powers in the region and the impact of emerging security threats. The contributors to this volume bring a wealth of expertise and insight to the subject, drawing on their academic and policy experience to provide a comprehensive analysis of the issues at hand. Their contributions offer valuable perspectives on the complex dynamics of the France-India relationship and the evolving strategic landscape in the Indo-Pacific. This book will be of interest to policymakers, scholars, and students who seek a deeper understanding of the strategic dynamics of the Indo-Pacific region and the role of France and India in shaping its future.

Abhinayan Iyer, an expert in understanding how France and India get along. He's like a really smart friend who knows a lot about these two countries and how they work together. He is someone who has spent a lot of time studying the relationship between France and India and is like a detective who tries to find out why these two countries are friends, what they do together, and how they help each other. Imagine you have a puzzle with pieces from France and pieces from India, and you're trying to put them together to see the big picture. Abhinayan is the person who helps us fit those puzzle pieces together. He looks at things like how they trade with each other, how they talk to each other, and even how they sometimes disagree. He's not just a book person, though. He talks to people, reads reports, and looks at all sorts of information to understand this special friendship between France and India. And then, he explains it in a really simple way so that even people who don't know much about this stuff can understand. He is like a bridge between two worlds, helping us see why France and India are like good buddies on the global stage. So, if you ever wondered why these two countries shake hands and work together, Abhinayan Iyer is the one who has all the answers!
